Children's Area Rules

Please Note: **Set up for the Children's Area begins no earlier than 5 p.m. on Thursday and on Friday from 8 a.m. to 10 a.m.**

1. The festival will be held regardless of weather and gazebo-area booths must be staffed during all event hours.
2. Stored inventory must be off the ground, covered and kept from public view.
3. All participants must check in at the Information Booth near the gazebo upon arrival. You will be assigned a booth number which should remain visible to the public. Booth signage should be visible at all times. All signs are subject to review and approval by the festival organizing committee. Please, attractive signs only. Remember what the weather can do to signage over a weekend.
4. **Participants must park in designated areas and will be assigned one space in an exhibitors' parking area.** We suggest parking your main transit vehicle in this area. Workers for your booth must find their own parking. This will allow more parking and convenience to the public. You are not permitted to park your vehicles or trailers next to your booth. The vehicle, carrying any stock needs for the day must be removed 45 minutes before the start of the festival daily. Vehicles can re-enter the festival area nightly only after entertainment has ceased.
5. The following are not permitted in or near your booth: radios, televisions, public address systems, alcohol, smoking, pets, profanity.
6. **Participants must take bulk rubbish and trash to the designated trash areas at the corner of Spring and Mulberry Streets before, during and after each day of the festival. Participants agree to leave the area in and around the allotted space in the same condition as was rented or better! Participant agrees to have a garbage container and bags and is not permitted to use public garbage containers. The festival committee is not responsible for cleaning your booth or the area around your booth. This will also be strictly enforced at Sunday departure and can affect re-entry to the next year's festival.**
7. Participants may not sublet any part of their space to another vendor.
8. Personal conduct of all contractors must be above reproach. Each exhibitor has gone through a lengthy screening process and deserves the respect of all other exhibitors, along with the public.
9. No unauthorized persons are permitted to tamper with the electrical equipment system. Participants must provide their own electrical extension cords. Cords must be 3 wire, heavy duty; UL approved and at least 50 feet long.
10. Neither the festival committee nor its sponsors will be liable for refunds or any other liabilities whatsoever for the failure to fulfill this contract due to reasons of the enclosure in which the festival is to be produced--being before or during the festival is destroyed by fire, other calamity, or by an act of God, public enemy, strikes, statutes, ordinances or legal authority or any other act beyond the control of the committee--which makes it impossible or impractical to hold the festival.
11. The Participants contract shall be deemed to have been made in the State of Pennsylvania and shall be interpreted in accordance with the laws of such state. In the event that legal action is required to enforce this contract or any of the terms thereof, such action shall be brought in the Courts of Westmoreland County, Pennsylvania, and the vendor expressly consents to the jurisdiction of such courts. The parties agree to accept service process in such action by ordinary mail sent to their addresses as set forth in this contract. The contract represents the entire agreement between the vendor and the Scottdale Fall Festival Committee, a sub-committee of Scottdale Borough.
