WELCOME TO THE 2018 SCOTTDALE FALL FESTIVAL

Welcome to the 2018 Scottdale Fall Festival. The Scottdale Fall Festival has been around for 44 years. Although the festival has had many names over the last 44 years, the principles have never changed. The festival has always been a community event in Scottdale. The idea started with Scottdale's 100th-anniversary celebration. A group of local citizens created the celebration for the 100 year anniversary of the town. This group of people then decided to have an annual event called the Scottdale Coke Heritage Festival. The year was 1974 when the first event was held. The festival would change names several times over the decades until its present-day name, Scottdale Fall Festival, which has remained for the past 21 years. This is one of many events that the citizens of Scottdale can enjoy throughout the year. This festival was created by the community of Scottdale, for the community of Scottdale.

Over the last 44 years, the festival has attracted people of all ages and helps promote local businesses in our community. This three-day celebration has many events such as a dog show, live entertainment, a race, ethnic foods, children's area, and much more. A list of events, food, and entertainment can be found on pages 4-10 and the festival menu can be found on page 11. The Scottdale Fall Festival committee thanks you for attending and making this event bigger and better each year!

The 2018 Scottdale Fall Festival Theme will be "An Important Piece of the Community Puzzle". We have gathered some of the different pieces that make our community whole. Check out the community Puzzle on pages 18-19.

Abacus Jones

Abacus Jones met in a small club south of Pittsburgh about 10 years ago when the Materkowski brothers (Joe and Tony) went to check out a local Blues band that was all the rage. The air had a smell of Lambrusco and asbestos. Joe and Tony, who were teenagers at the time, fell in love with the vibe the band was throwin' down that night. The Chuck Ramsey Band, fronted by Chuck himself, was a complete anomaly. Chuck was a sixty-something Motown era session bassist who had played with everybody who was anybody. In his retirement, he decided to put together a Frankenstein group with a mysterious drummer and a bombastic guitar player named Shawn. Oh, and Jason Cursi played congas with them too. After a 10 year Spinal-Tappish quest for a drummer with their band Ahab and distractions such as college and solo projects, Joe and Tony learned of Chuck's passing and decided to put together a tribute concert in his memory. Yeah, Jason played that too. The boys had so much fun that they just had to carry on. Abacus Jones was born.

Shiva Skydriver

Shiva Skydriver is a three-piece Rock & Roll band from Mount Pleasant, Pennsylvania. They've performed from Raleigh, NC to Los Angeles, CA. They released their self-titled debut album in December of 2015. They recently added multi-instrumentalist Jane West to the live band to recreate their studio sound. The band includes Kelsey James, Ed Skero, and Jack Martin.

Scott Hall

Scott Hall the eclectic electric one-man rock band is keeping the tradition of the one-man band alive while updating it with modern music and electricity, but without anything pre-recorded or pre-programmed. Every sound is made by a movement of some part of the body. Most are on purpose. Seeing is believing so please visit his web page. He played 12 instruments; Guitar, vocals, harmonica, bass drum, snare drum, tom tom, hi hat, tambourine, cowbell, ride cymbal, crash cymbal, and kazoo! His influences include Rolling Stones, Beatles, Bob Dylan, Grateful Dead, Jimi Hendrix, James Taylor, Muddy Waters, Howling Wolf, The Band. Lots of blues, some country and enough new songs to keep things fresh.

Prime Country

Herb Humphreys the founder of the band was born and raised in Connellsville, Pennsylvania where he received his first guitar at the age of ten. His musical career began over 40 years ago when he began playing local gigs with his brother Randy in a group called Keeping It Kuntry. The Humphreys brothers were the opening act at Ponderosa Park, Country Paradise Park and Appalachia Lake for Nashville stars Tanya Tucker, Roy Clark, and Ronnie Milsap.

Herb spent 15 years playing with the staff band in the critically acclaimed Carolina Opry in Myrtle Beach, South Carolina. It was the greatest learning experience of his life and gave him the opportunity to play with some of the best musicians in the country. After leaving the Carolina Opry, Herb established the Jarman Opry in New Bern, North Carolina where he arranged and produced shows for audiences of all ages before returning to his roots in Western PA. The band member is Herb Humphreys Guitar/Vocals, Tim Burkhart Drums/Vocals, Lance Miller Bass/Vocals, and Jim Thompson – Steel Guitar.

Artistree

We are a musically diverse group. Our broad base appeal comes from our ability to perform songs from every genre. During our three hour shows, we are constantly switching from Rock, R&B, Pop, and even country tunes. Our song list includes current songs and timeless classics that draw our fans to the dance floor.

On a personal note, Artistree has made a commitment to join other artists and the general public in raising funds for Cancer Research. We support St. Judes and give a portion of what we earn to fund Cancer Research. We have had the privilege and honor of opening for numerous national artists such as R & B great Jeffrey Osborne;

Charlie Wilson & Con Funk Shun; Roy Ayers & Tom Brown; David Hollister & SWV; and The Whispers to name a few. We are frequent guest artists at the Rock & Roll Hall of Fame in Cleveland, Ohio. We also are featured artists at the largest summer festivals throughout the Pittsburgh area, performing for audiences of more than four thousand. We are proud to be the only R & B group to be invited to perform every year with Pittsburgh's premier Jazz artists.

Tony Janflone Jr.

Tony Janflone. Jr. knew what he wanted to do with his life at the early age of 13. He wanted to be a guitarist. He had been playing since the age of 9 and having been influenced from his earliest days by his father, also a guitarist, and his exposure to all facets of music, Blues, Rock, R&B, Jazz, Country, and Classical, his love of music was inherent and not to be denied. Tony enjoys success with his group, "The Tony Janflone Jr Band", capturing the nomination for five years for Pittsburgh's Best Jazz/Blues Guitarist for the Stroh's/In Pittsburgh Music Awards. He has also captured the 1995 award for the Best album for his CD Pieces, best vocalist and best band. Tony's performing credits include opening for or performing with, B.B.King, The Fabulous Thunderbirds, George Thorogood, Joe Bonamassa, Hiram Bullock, Reb Beach, Tommy Castro, Dionne Warwick, Natalie Cole, Toninho Horta, Janis Siegel, Steely Dan, The Yellowjackets, David Sanborn, Joe Williams, Diane Reeves, The Manhattan Transfer, Larry Carlton, Stanley Clarke, Billy Cobham, Jeff Beck, Carlos Santana, Ted Nugent, Jimmy Thackery, Richard Elliot, Brian Simpson, Rick Braun, Peabo Bryson, Gladys Knight, Sandi Patty, Chris Duarte, and Chicago. International Billboard Jazz charts. Promoting the effort took him to New York's Bottom Line and Washington DC's Blues Alley. While in DC. he and the group performed on BET and the Jazz on BET network television show that is broadcast nationwide. Tony's aspiration is to perform music all over the world and to share his enthusiasm for music with people everywhere. Some people have already picked up his enthusiasm and here is what they had to say: The Gavin Report, (an international music trade publication) says, "One of our favorite undiscovered talents".

Katelyn Rose

Katelyn Rose is a 22 year old singer, songwriter, and Nashville Recording artist. She has been performing since she was 12 years old. Katelyn has opened for many great Artists such as Joe Diffie, Kellie Pickler, Big & Rich, Low Cash, and many others. Her powerhouse voice and stage presence will captivate your interest and leave you wanting to hear more. You can find her upcoming Acoustic shows and also her full band events on her facebook artist page "Katelyn Rose" and also her website www.KatelynRoseBand.com

Kenny Blake

Jazz saxophonist and composer Kenny Blake earned critical acclaim and reached the top of the jazz charts with his four releases on Heads Up Records. His sound is “soul hybrid” a combination of traditional jazz with modern rhythm and blues. Kenny Blake’s R&B-tinged solos delight fans around the world. Kenny has performed throughout the United State, Europe, and South Africa as a solo artist and sideman. In the mid-80’s Blake toured with the MCA pop-jazz recording artists Cabo Frio and performed his compositions on their 1987 self-titled release. With airplay on smooth jazz and quiet storm radio stations Blake’s 1991 solo release “Interior Design” climbed to number 15 on the Billboard Top Contemporary Jazz Albums chart. He again reached the jazz charts at number 20 with the album “Rumor Has It” in 1992. Blake has released five solo CDs. Along with Joe McBride, Gerald Veasley Blake performs as a member of the Heads Up Super Band and appeared on their 1998 release. As a session man, Blake has recorded with Pieces of a Dream, Joe McBride, Gerald Veasley, Darryl Alexander, Tommy Price, Bob Thompson, Chizmo Charles, Rodney McCoy, Donny Iris, Billy Price, Pure Gold, and John Harrison III, and others. He has appeared at many jazz festivals including the annual Berks Jazz Festival, the Jazz on the Rocks festival in Cape Town, South Africa, the 2006 Cape Town International Jazz Festival, and at festivals in Syracuse, Pittsburgh, Rehobeth Beach, Oregon, and Cape May. Kenny works with an array of top musicians and performing in duos, trios, and quartets.

Radio Tokyo

Since 2007, Radio Tokyo has been performing chart-topping hits across the region. With an ever-changing quintet of musicians, the band has played at casinos, bars, and national league events, bringing their dynamic style to each show. This R&B style cover band’s experience reaches well beyond the 8 years that they’ve called themselves a group. With their drummer, Jason being involved in similar projects since the early 2000’s and their lead singer, Ambition from the smash R&B group, Pretty Ricky, Radio Tokyo is no stranger to the east coast music scene. Along with Jason and Ambition, the group includes their lead guitarist Ed Sable, keyboard player Travis, and bass player Mark. Pittsburgh-based, the group has been with 5 different keyboard players, 3 different singers, and 2 different bass players, each wave re-inventing the band and creating a new synth-driven, dance sound. Even though they’re essentially a rock band, their shows are generally 75% hip-hop, R&B, dance music and alternative with a little bit of country thrown in

along the way. Ambition’s musical roots often help to sculpt each setlist that they choose, aiding the band in their stylistic approach to the current and past hits that they play. With events as large scale as Jam on Walnut, the Cleveland Cavaliers homes opener, and Pirate pre-game shows under their belts, Radio Tokyo brings the party to each packed gig.

The story about Finn

It was the Sunday evening of the festival last year when our Committee started to really notice little things being misplaced, like acorns being left in place of candy, and a small trail of corn kernels appearing out of nowhere. Earlier in the festival, we could have sworn that we'd seen what looked like small footprints in the wet paint, as we were preparing our signage, and that we'd heard little giggles when we were placing the straw bales for seating near the main Gazebo stage. When one of our team went to reach for a cupcake that he'd purchased from a vendor and found a small herd of lightening bugs in it's place, we knew something was amiss....

So, a few of us decided to figure out what was going on.... We stayed late, after the bands and our guests departed, and let Security know that we were finishing up with a special project. We placed a couple small piles of candy corn on the information booth table, ducked behind a bush and waited to see what would happen....

It didn't take long... From behind a tree, a tiny sprite tiptoed out, smothering giggles of delight with his small hand, and heading straight for the candy. We were in awe! We had no idea that such a magical little fellow lived in our Gazebo Park! He looked like a fairy, made from tree bark and fall leaves.

Very quietly, we moved out from behind the tree, and as he nibbled on the candy, we surrounded him. When he looked up, he was startled, but we promised no harm and asked if he'd like to be the smallest member of our Fall Festival Committee. He smiled the hugest grin and whispered 'YES' in the cutest little pixie voice. Before we could say more, he dashed into the air with his tiny leaf wings, singing, 'I'll see you next year and we'll surprise the Dale's children!'

An Important Piece of the Community Puzzle

Every community is built from the citizens who live within the boundaries drawn on a map. Residents within those boundaries work hard to improve their community in their own way. Businesses and organizations are some of the most important entities that the citizens of Scottdale can be involved in. The Festival likes to think of these businesses and groups as individual pieces that fit together to form the puzzle that makes out town. These pieces must all work together to create the community in which we live in. Scottdale is very fortunate to have many different entities from the festivals, picnics, and clubs to the businesses, fire department, and Government body. We all must work together to form this puzzle. Below are a few puzzle pieces that when put together make up our town.

Nicci Bard, Creator Behind 'Finn'

Recently Conrad C Sandusky had the pleasure of talking via messenger with Nicole (Nicci) Bard who is the very talented creator behind 'Finn'. Since Nicci generously donated her amazing abilities to all of Scottdale and shared 'Finn' with us. We thought we would share some information about her. Nicole (Nicci) Wise Bard is a Scottdale native. Her Dad's side of the family owns Wise's Restaurant and they have a long history with the town. When she was growing up the Fall Festival was a tradition and when her friend Holly Shoemaker Lint saw the festivals post about Finn, Nicci was interested in bringing a children's character to life. With the direction from Janeen Wansor, Festival Secretary and Vendor Chairman, Finn was created.

Currently, Nicci is a full-time animation and visual effects student about to enter her senior year at Point Park University. She is also a freelance artist and special effects makeup artist. She has lived in Los Angeles, San Diego, and Jacksonville before coming back to Pittsburgh to attend school. When asked what made you pursue this profession? Nicci said,

"though it's sort of cliché to say, I really think it picked me." Over the years she has tried other professions like for example, she is a certified surgical tech. She really loved being involved in surgeries and the feeling that she was helping people. However, it was high stress and she didn't think it was for her. Nicci always wanted to be an artist but was discouraged by the amount of "starving artist" stories. She always assumed it would just be a hobby. Nicci said, "There are actually many extremely well-paying jobs involving art, especially in this age!" She went on to say, "Art is everywhere you look...you just may not realize it!" She has always created art in some way, whether it was by flower arranging for weddings, face painting, painting murals, or just sketching. Nicci always comes back to it even when she attempted something else. In the end, she decided maybe she shouldn't fight it anymore! The entire Scottdale Fall Festival Committee would like to thank Nicci for the many days that she donated to create and refine 'Finn, the Scottdale Sprite' and for taking the time to do this interview with us.

Celebrating 40 years of the Scottdale Gazebo

Scottdale celebrates 40 years of our gazebo being a place for people to gather and celebrate throughout the year, just as the gazebo committee had hoped.

The gazebo project was the brainchild of former Mayor Frederick Eberharter and was co-sponsored by the Scottdale Women's Garden Club and the Mayor's Advisory Committee. Their plan was to execute the rejuvenation of the borough's downtown area and to use the facility year-round, with an emphasis on summer concerts.

Designed by James Gayton III and Associates of Norvelt, the gazebo was built by local contractors, some of them donated time. The majority of the funds needed to construct the gazebo were obtained by individual donations from the citizens of Scottdale, civic organizations and businesses.

Gazebo committee members included Mrs. Virginia Ridenour, president of the Women's Garden Club, Richard Campbell, chairman of the Mayor's Advisory Committee as well as Mrs. Anne Bluhm, Mrs. Barbara Malik, Mrs. Edith Camlin, Mrs. Tottie Kiefer, William Alt, Don Pritchard and William Scott.

The gazebo was dedicated October 1978 to the memory of Joseph Martinsek, a Scottdale businessman and prominent civic leader, who died earlier that year.

Mayor Frederick Eberharter talked of the devotion of Joseph Martinsek to Scottdale and its citizens. He remarked on the time he devoted to the place "where friendly people meet."

Today, we meet many friendly people at the gazebo for events like the Scottdale Fall Festival, Classic Car Cruise, Winter Light Up Night and more throughout the summer.

The mission of the Scottdale Historical Society is to collect, preserve and archive Scottdale's rich cultural, industrial and architectural history for the enjoyment and education of present and future generations. We invite you to share your stories and photos about the times you have spent at the gazebo by emailing us at louckshouse527@gmail.com.

We also encourage you to become involved the Scottdale Historical Society and other community organizations so that we can preserve our history and grow our future.

Scottdale Fall Festival Scholarship Winner

The 2018 Scottdale Fall Festival scholarship is awarded to a Southmoreland senior. This young woman is involved in the community and has demonstrated strong leadership qualities. The 2018 scholarship recipient is Hayley Robbins. Hayley was involved, as a volunteer, with the Christ United Methodist Church Spaghetti dinners, Erie Mission Trips, CUMC food banks, Breakfast with Santa, Autism Walk, CUMC Vacation Bible School, Honor's dinner, Buddy Day, Fall Festival, Christmas Caroling, Kindergarten Screening, Hobgoblin Hike, Lunch Bunch, Safe from the Sun Melanoma Walk, and Learning For Life. She enjoyed playing tennis and is a very determined young woman. Hayley said her Aunt Christine taught her the importance of hard-work and determination. She went on to say "her aunt is the head nurse in California, she went back to college to get her Master's degree while juggling a busy family life". Her aunt is her inspiration because she knows that going into the medical field is difficult, but her aunt went back to school while working and providing for her family. Hayley said, "My aunt has shown me that I can accomplish anything that I set my mind to with hard-work". Hayley's future plans are to go to Chatham University to earn her bachelor's degree in psychology. She wants to major in children Occupational Therapy, and hopefully end up working at a hospital or school.
