### Contract Enforcement

This area has been designated by our council for liability insurance reasons and to ensure a safe and responsible event for all vendors and visitors. Fees are charged for space rental in this area to offset increasing event expenses that help to draw attendance to the annual festival and allow participating organizations to profit.
- Neither the Committee, nor its sponsors, will be liable for refunds or any other liabilities whatsoever for the failure to fulfill this contract due to reasons of the enclosure in which the festival is to be produced--being before or during the festival is destroyed by fire, other calamity, or by an act of God, public enemy, strikes, statutes, ordinances or legal authority or any other act beyond the control of the Committee--which makes it impossible or impractical to hold the festival.
- The Participants contract shall be deemed to have been made in the State of Pennsylvania and shall be interpreted in accordance with the laws of such state. In the event that legal action is required to enforce this contract or any of the terms thereof, such action shall be brought in the Courts of Westmoreland County, Pennsylvania, and the vendor expressly consents to the jurisdiction of such courts. The parties agree to accept service process in such action by ordinary mail sent to their addresses as set forth in this contract. The contract represents the entire agreement between the vendor and the Scottsdale Fall Festival Committee, a sub-committee of Scottsdale Borough.
